MAPs Needed for Study on Stigma and Mental Health

We are looking for Minor Attracted Persons (MAPs) with a sexual attraction to **pre-pubescent and/or pubescent children to take part in a study on experiences of stigma and related outcomes**

This study consists of an **anonymous** and **confidential** online survey hosted by [soscisurvey.de](https://www.soscisurvey.de). **You will NOT be asked about past or present sexual behaviour.**

You are eligible to participate if you are **18 years or older** and if you identify as having **at least some attraction to children aged 0 to 14 years old.**

Participation is voluntary and would take approximately **45 minutes to complete**. There is no financial compensation.

If you are interested in participating, please visit <https://www.soscisurvey.de/MAPStigma/> for more information.

This research has been cleared by The Royal Ottawa Research Ethics Board(Clearance #2022006).
